

TEAM BUILDING

Improves communication, production and enjoyment in the workplace.

At the **Niagara Falls Fun Zone**, we offer 20,000 square feet of fun and excitement - the perfect venue to motivate your workplace team through a variety of tasks designed to develop your group members and help them to work effectively together.

Cooperative Team Building activities at the Fun Zone will help turn your ship of champions into a Championship team. The exercises include a Scavenger Hunt, followed by games of Skee Ball, Super Trivia, Basketball, Super Shot and Nascar Racing. Later all teams partake in a few of our amazing attractions: Lazer Tag, Mini-Putt, Maze of Mirrors and Haunted House.
